

# OP-T CUT RETRUE PROGRAM

Triple-T Cutting Tools, Inc. offers the following Op-T-CUT retrue program!

Excessively damaged cutters can not be retrued, and will be discarded

Replacement program: Cutters that can not be retrued will automatically be replaced with a new cutter (check "YES" below)

All cutters are retrued using the same manufacturing process used to grind new OP-T-CUT's

Packaging will be marked with "T1" (1st retrue) to "T6" (6th retrue) indicating how many times each cutter was retrued.
